

FF Opus X The Forbidden

The Forbidden X es la evolución de la línea FF OpusX, en esta línea se incorporaron tabacos realmente especiales y raros nacidos en Chateau de la Fuente.

Al más puro estilo del "ToyMaker"™ Carlito Añeja el misterioso blend de Forbidden en barricas en un área secreta de la fabrica.

Esta línea encapsula el misticismo y la esencia de los dioses.

*I remember the perfume
reminded of you back in my
childhood. I remember the way you
had the ability to make me feel
happy. It reminded me of you,
the woman I loved. I remember it
all. I think to this day, I would
love to be found. I would love
to see you again. I would love
to know what you are doing now.
I hope you are happy. I hope
you are successful. I hope you
are loved. I hope you are
happy. I think to this day, I
would love to see you again.*
